

Software Implementation Consultant

Reporting to: Chief Operations Officer

Duties and Responsibilities

Job requirements

- Valid business analysis experience implementing & supporting HR or similar (e.g. ERP) solutions.
- Excellent project management, communication and presentation skills.
- Genuinely enjoy building relationships with people.
- Excellent written and spoken English (and ideally, but not mandatory, spoken Maltese).
- High degree of proficiency in Microsoft Office tools.
- An organised, pleasant and professional disposition.

Qualifications

While a Business- or IT-related degree would be very welcome, as would other relevant certifications, the real qualities we are after are: passion for delivering a quality service to our customers, an insatiable curiosity to learn more, desire to grow professionally and pride to form part of a close-knit team.

If you feel that you possess the attributes we are seeking, are currently resident in Malta and do not require a work permit, kindly send a CV to administration@dakarsoftware.com.

All applications will be treated in strict confidence
